Specializations/ Positioning	Holiday and wellness hotel for individual guests in private ownership Hotellerieuisse + Switzerland Tourism: Spa & Vitality Design & Lifestyle Excellent Cuisine Snow Sports Hotel
Location	Slightly above the village, quiet and central with beautiful views of the mountains and in the middle of a secluded park.
Architects	Urfer & Stähli, Interlaken (construction stone house) Buchner Bründler, Basel (conversions + renovations between 2006 and 2013)
Founding year	1901
History	Trees are the emblem of the hotel - for three generations and 120 years. The hotel was built in 1901 as one of the first hotels in Adelboden and has been owned by the Richard family since 1926. After a fire, it was rebuilt in 1931 - now as a stone house and in the style of classical modernism. In the last fifteen years it has been completely renovated in five construction stages.
